REV. A. E. MONGER GIVES FIRST OF SERIES OF TALKS Oliver This Week tached to its staff, prepared to give his opinion from the hygienic point

Pastor of First M. E. Church Begins Talks on "Unpopular Subjects."

That civilization had reached a point where men and women were disregarding the foundation laws of society was the assertion of Rev. Alfirst of a series of sermons on "Unpopular Subjects" at the First Mothodist church last night.

mandments Outlawed," he said when mon must again reiterate the Ten Commandments as the govern- the sliver screen. natural desires. The result is that Well. there is an unexpressed yet a con- There is not a dull moment in the trolling attitude that these laws were picture and the suspense is mainter a by-gone age rather than for tained until the last 100 feet of AIR ARMY TO RULE our day. This attitude is not con- film. The story moves swiftly, confined alone to the youth of our gens vincingly, logically, eration. It grips vast numbers of all ages.

Partial Responsibility

"Perhaps the church through her ministry should hear a part of the responsibility for this condition. their interpretation rather than the spirit which reaches out to the uttermost circle of human relationships both to God and to man. We herent nature. No one would think gives the children a chance to finof ignoring the law of gravitation without expecting to suffer the pentheir widest application to human road.

"Obedience to these have means life. They are not the laws of death | DD except for those who refuse to obey Un. them. Every fallen life is the result of such a disobedience. On the other hand, every life that has achieved; character has obeyed them. Prosperity, social progress, and happiness have always been the fruits of such Notebook Taken From Eskimo

Must Have Revival

"These moral laws are no more ontlawed than the law governing the laws of human welfare. They are no less fundamental than the conlife. "And then it will be well with us and with our children forever.

DR. BECK DELIVERS SPECIAL ADDRESS FOR NEW MEMBERS

Pastor of Grace M. E. Church Uses Appropriate Theme for Sunday Sermon.

The Sunday night sermon at Grace M. E. church was directed especially to 98 new members received into the church last Sunday the visitation campaign in January. It is one of a series of messages that seek to thoroughly establish these new Christians in the fairly and build them into the life and work of the church.

The paster, Rev. B. D. Beck. chose the field of business in which to apply his message. His text was, "We are laborers together with

He said: "Christianity always seeks to bring God and men nearer to each others. Jesus teaches us that our God is our Heavenly Pather and all we are children of God. He brought God hearer and at the same time lifted us up. In the social appear He said to His disciples. Henceforth I call you no more servants, but friends.' In the world of work we read here in Paul's letter that 'We are laborara together with God.' In other wards we are partners with God. Further is the right word for an associate in business. God seeks to be that with men in the world of work and

business. Ireal of Christ.

"What every Christian needs to learn is that God cares quite no. much for business as He does for church. He can be and desires to be in one just as much as fla. other. When He has possessed Himself of business and has permeated it with His spirit and truth t will be as sacred as the church That is certainly the Edwal of Christ ionsequently the church should go

is lived in the world of work and business. If they do not find God In that world they are without Him if the world they have not much hance to take it elsewhere.

"The fact is that the world of work is a good place in which the No matter what a man is working with or dealing in he is working God has been there before bird

and prepared the materials. He has grown the timbers. He has stored the air with electricity. He gave the fire that softens the from so it shape. He provided the gas and water that the plumbers seek to God loss created for men to the

men who can use them. God Works With Us. "At every turn God is working He is there at work always. The men who do recognize God in a fitting way are the better for it
